

Project S.E.E.D.

RSVP & UT Spina Bifida Clinic

THE ALBERT SCHWEITZER FELLOWSHIP

Improving Health | Developing Leaders | Creating Change

John P. and Katherine G. McGovern Medical School

Asha Ayyar

Bryce West

Ayyar and West will continue the work of connecting individuals with disabilities at the **UT Spina Bifida Clinic** and **Rehabilitation Services Volunteer Projects (RSVP) Clinic** to essential and accessible patient resources.

The pair will grow the program by strengthening their Living Hope Wheelchair Association partnership to increase medical equipment resource access, implementing a caregiver support system, and improve patient care with the inclusion of screenings for abuse and labor trafficking into routine care.
