Nourish

YES Prep 5th Ward Secondary School

**John
Zhang**

**Texas A&M University
School of Engineering
Medicine**

Nourish continues in its third year to address food insecurity amongst students at YES Prep 5th Ward Secondary School, providing nutrition education incorporated into hands-on cooking sessions.

Zhang will enhance the project by including education on diet-related health conditions, physical activity, and forming partnerships with local organizations to expand nutrition education for students through a community-wide approach.
